JB Brown Middle Family and Community,

Over the past four years we have ran a series of very successful fundraisers that have resulted in many enhancements to our campus including our door wrap and picnic tables. Last year, we were positioned to kick-off our fundraiser on the very day that we all were sent home for COVID-19. Since everything was prepared, we are now launching this fundraiser with the hopes that we can build an outdoor classroom between our school and the new track.

The Charger Card provides you with many discounts at vendors in our area valid through 2/28/21. The savings on this card can easily surpass the donation of $10 requested. Our hope is that each family would sell at least five cards knowing that all profits will go directly toward the completion of an outdoor classroom that will be used by students for years to come. In fact, now there is even an opportunity for your child to participate in the designing of the outdoor classroom through our eLab designing contest (https://bit.ly/brownelab../Downloads/20-21 Fundraiser Parent letter.doc).

Normally students would sell these cards face to face; however, due to COVID-19 restrictions, this fundraiser will be online only. Please consider promoting the Charger card by having friends and family view https://osp.osmsinc.com/HamiltonTN/. (Go to Middle Schools-→ Brown Middle-→ Charger Card Fundraiser-→ Quantity…) Posting the link on your social media accounts with a personal message could also help us to make sure that our outdoor classroom becomes a reality. Once the card is advertised through our school website and your social media sites, people can begin to purchase cards through our OSP system in order to eliminate the exchange of currency.

Those that purchase cards will be able to pick their cards up through the front office or have your cards mailed directly to you. Please make sure that you put the correct mailing address in the billing section of the OSP checkout if you want your cards mailed directly to you. In addition, families that buy five in one purchase will be sent a complimentary 6th card at no cost. This card selling campaign will last from 9/8 through 10/8. We appreciate your help as we strive to make our campus inviting to students and bring pride to our Highway 58 communities.

Sincerely,

David Carpenter
JB Brown Middle School
