Dear Parents and Student Athletes,

We are excited to continue moving forward in a positive direction and continue the movement of moving our football program forward. We are looking forward to developing our young men into outstanding student athletes. Brown Middle staff and I would like to thank you for your continued support and your trust in us to help with the continued growth and development of your sons. When Family, School, and Staff all work together, students have a greater chance of success. Communication is a vital part of success.

Please use your cell phones to sign into our communication system called "Remind". All my communicates will go through Remind. You can also communicate with me through Remind. Parents and Athletes should both sign in. Follow the instructions below:

Everyone must have a Medical Physical before he can try out. Doctor appointments usually take two or more months to schedule. Schedule them today. Walk Clinics will also do sports physicals most take insurance. Physicals must be turned before July 17<sup>th</sup>. Athletes can bring them to the pre-season workouts.

Please check your son's Power School. If they are failing 2 or more class during this 4<sup>th</sup> quarter they cannot play football unless they do make up work or grade recovery to pull their grades up to passing. Even if they get promoted to the next grade but fail 2 or more classes during the 4<sup>th</sup> quarter they will not be able to play.
