

**Treasurer Report:**

Ending February 3rd: \$3,421.70

Ending March 2nd: \$5,109.30

- Deposits and disbursements from volleyball concessions.

**PTO is hosting an event for Monday, April 20th at 6:00pm.** Light snacks will be provided: cheese and fruit platters, pastry/dessert items, and waters. Hoping to keep the cost to about \$50. The purpose of the meeting is to draw more PTO member input, and seek board members for next year. We want all to be part of making BMS a great school environment for our children/students through collective efforts!

Tonia will email Dr. Highlander to invite him to the meeting to allow parents to ask questions or present concerns to our school board representative.

A raffle will be held where families can put their name in a drawing for a \$50 Walmart gift card!

Another possible incentive we discussed was a dress down day pass, upon Mr. Carpenter's approval.

8th Grade promotion reception is to be determined by the teachers and Tonia.

**Next PTO meeting will be the same night at the event, April 20th.** Location TBD and a flyer will be sent home with information along with the report cards March 20th.
